

SAY CHEESE!

IDEAS TO CELEBRATE

CHILDREN'S DENTAL HEALTH MONTH

IN FEBRUARY

Hang up themed posters and signs in the cafeteria

Team up with Valentine's Day celebrations and encourage students to show their teeth some love

Host a 'Say Cheese' photo contest showing off those bright smiles

Invite special guests, such as local dentists and dental hygienists, to enjoy breakfast and/or lunch at school with your students. This can be great for all ages (i.e. consider a career fair focus for secondary schools).

Highlight the new Superfood Power Couple of Plants + Dairy on your menu! Superpower vegetables and dairy can help keep teeth strong and healthy.

MILK MEANS MORE
