Please read these Texting Terms & Conditions (the “Terms”) carefully. By enrolling or otherwise agreeing to receive text messages from or on behalf of UDIM you agree to these Terms

UDIM Messaging Terms and Conditions

By option into any UDIM texting program, you agree to receive recurring automated marketing text (e.g., SMS and MMS) messages from United Dairy Industry of Michigan (UDIM), including text messages to the mobile telephone number you provided when signing up or any other number that you designate. Texts may be sent by an automatic telephone dialing system or other automated technology, by or on behalf of UDIM. Consent to receive automated marketing text messages is not a condition of any purchase. Message and data rates may apply.

Message frequency will vary. Messages will provide information related to UDIM, its programs, and other dairy-industry related information. UDIM reserves the right to alter the frequency of messages sent at any time, so as to increase or decrease the total number of sent messages. UDIM also reserves the right to change the shortcode or phone number from which messages are sent and we will notify you when we do so.

Not all mobile devices or handsets may be supported, and our messages may not be deliverable in all areas. UDIM, its service providers and the mobile carriers supported by the program are not liable for delayed or undelivered messages.

You also agree to UDIM’s Terms of Use and UDIM’s Privacy Policy.

How to Opt Out

To stop receiving text messages from UDIM, text the keyword STOP to the number sending the message. After texting STOP to our number, you may receive additional messages confirming that your request has been received and processed. You may also continue to receive text messages for a short period while UDIM processes your request. You acknowledge that our text message platform may not recognize and respond to unsubscribe requests that do not include the STOP keyword command and you agree that UDIM and its service providers will have no liability for failing to honor such requests.

Cost

Message and data rates may apply for any messages sent to you from or on behalf of UDIM, and messages you send to us. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.

Eligibility and Change in Phone Number

By opting into UDIM's text messaging program(s) or by otherwise providing your cell phone number to UDIM, you warrant that you are 18 years of age or older. You further warrant that you are the current subscriber or authorized user of the phone number you have provided. You agree that you will not initiate messages to the mobile phone of any other person or entity without authorization. If you change, forfeit, or deactivate the phone number you have provided to UDIM, you agree to notify UDIM immediately. Failure to do so constitutes a material breach of these Terms. Mobile carriers are not liable for delayed or undelivered messages.
